Provider name: York St John University

Provider UKPRN: 10007713

Summary of 2025-26 course fees for new entrants

*Course type not listed by the provider as available to new entrants in 2025-26. This means that any such course delivered to new entrants in 2025-26 would be subject to fees capped at the basic fee amount.

Inflation statement

Any increase in fees would be limited to the increase in either RPI-X or CPI, depending on which objective verifiable index is chosen by UK government in any future decision to raise maximum fee limits set out in regulations. It is not possible at this juncture for the provider to determine which index may be chosen. For all students, any change to the current fee cap would be evaluated alongside the University's Financial Sustainability and Widening Participation aims to ensure that the fees levied to students were in line with our strategic goals. As such students can be assured that any rise will be subject to maximum fee
